Why it Works:

Pulp runs on a proven model with a track record of strong regional performance and growing brand recognition. It's a business that delivers wellness, speed, simplicity, and smiles - one smoothie at a time.

Pulp Juice and Smoothie Bar offers a compelling franchise opportunity, defined by its low-cost entry, simplified operations, and proven growth model - making it a standout in today's competitive quick-service landscape.

Celebrating over 20 years in business, Pulp has expanded to 65+ locations across Ohio, Pennsylvania, West Virginia, North Carolina, and South Carolina. This sustained growth reflects the strength and scalability of the Pulp system - and remarkably, only one location has ever permanently closed in our entire history.

WE'RE ALL ABOUT
REAL FRUIT, REAL
VEGGIES AND NO
ADDED SUGAR!

Founded in 2005 by Thom Knepp in Kent, Ohio, Pulp was born from his dream of offering a quick, healthy meal that's both delicious and perfect for busy lives. After exploring smoothie shops across the country, Thom created his own concept, blending fresh ingredients, no added sugar, and a vibrant atmosphere.

Today, Pulp is more than a smoothie bar; it's a community hub for healthy, tasty meals on the go.

★★★★★ 5/5

Pulp is always the best smoothie place to go to I swear! They even give you a choice of one free additive such as protein, fiber, vitamin, energy boost, etc. Great prices and great flavors! I've tried most everything on the menu and I love it. If you want a snack get the acai bowl!!
